INTIMATE THOUGHTS AND XXX ADVICE

Men, this is one of the toughest questions in life. Can a woman be too beautiful to approach. Can she even think about dating you, let alone sleep with you? We see actresses and models on TV and print and masturbate to them. That's the easy part. Try talking to one.

I'm a pretty good looking guy and I've had enough sex that would make some men jealous. But I just can't seem to bed the really foxy, sexy chicks I see all the time. I've read the articles and books on how to pick up girls and even watched a few of the internet videos, but they're mostly bullshit trying to sell you something at the end of a ridiculous twenty minutes. Ugh. Then I spoke to my cousin in Manhattan. She told me she has an incredibly sexy roommate Lola, that has problems getting dates. I ask why and she said that guys won't approach her because she's too beautiful. She's a stunning Latina and she's extra hot. So my cousin puts her on the phone with me. After a minute of small talk in her incredibly sexy accent, she tells me the secrets.

"First thing is to get and maintain eye contact without seeming weird. Don't be afraid to look her in the eyes, even from a distance. Most men will avert their eyes or turn their heads when a pretty girl looks their way. If you can engage her in some small talk, do. Maybe she'll touch your arm, or flick her hair. Those are sure signs of her interest. Don't be pushy, especially in matters of

sex. Odds are if she wants to see you again, then sex is definitely on the table, or in the bed. Keep in mind, hot chicks are being hit on all the time, usually by assholes. It's the good guys they really want and you can be one of them if you play your cards right?" Lola says.

I thanked her for her insights and told her I would let her know how it goes. A few weeks later I'm talking to my sister again to say I didn't really have any news; and she tells me that Lola would like to speak with me and tell me something more. I wait for a moment and that sultry voice comes on. "Hello Lola," I say right away. "Hola Matthew," she says back to me. "What's up. You have more insights for me," I ask. "Not really, but there is something that happened to me that may be a lesson for you," she says, "Okay, hit me with it. I wish I had something positive to tell you," I respond.

"Matthew, I recently met a cool guy at Union Square. He was playing chess there with my uncle Carlos. I didn't know he was going to be there and I saw them as I was jogging through the park. I noticed them and stopped

to watch them play a little. My uncle introduced the man as Michael and he looked up from the chessboard to say hello. Our eyes met and I held his gaze. I smiled and asked if my uncle was being nice and letting him win a game or two. He chuckled and Carlos chimed in with 'He's beat me three straight games, so now it's the last one. Best four out of seven! Okay Mike, what shall we bet on this last game?' Michael looked back at me and said, 'Drinks with your niece if I win, and if I lose, I will cry for three days.' Both Carlos and I were quite surprised. Then I realized it was a compliment, not a real competition. Carlos looked up at me and I smiled and nodded. Knowing I was on the block, I watched them play their long, tedious last game. More than an hour into it Carlos' king is trapped in the corner and it's finally 'checkmate.' Strangely, as I watched, I wondered if my uncle might be throwing the game."

"Michael and I met the next night for drinks. He's a gentleman the whole time, telling me about his job, his interests and asking about mine. He's not that hand-

some, but his confidence showed and the way he carried himself was very appealing. He dressed perfectly."

"Did you see him again?" I asked breaking into her flow.

"I did. Two days later we had dinner together and we've been seeing each other almost every day since. The other night he comes home from work and I'm there waiting for him. We have a couple of drinks while I listen to what kind of day he's had. After several minutes, He's sitting on the sofa and I kneel next to him. He tells me how sweet and sexy I am and how fortunate he is to be with me. I reach over and unbutton his shirt and open it up. I kiss his chest and linger on his nipples. To his moans I unzip his pants and slip my hand inside. He asks if I would stand and disrobe while he watches and adores me. I slowly get up and slip the short top off over my head. He watches me as I wiggle my hips and push down my skirt, slipping it off my feet. He is so wonderful with his compliments, I feel so good when he talks to me like this. I kneel next to him again so that he can reach

every part of me. He runs a finger down my back all the way to my derrière's crack making my body shake and quiver."

"I go back to his trousers, undo his belt and button. I love being able to nuzzle in his groin. He runs his hand down my arm and into my fingers. He pulls his hand away and I feel it now on my ass. His hand covers my butt cheek and his finger plays with my little brown star, backwards and forwards over it, then down to my pussy. By now, you can imagine how wet I am."

"I lift his cock and play with it with the end of my tongue. I pull his whole cock into my mouth; he loves that. I suck him to hardness as I pull his cock from my mouth and start licking down to his balls. He runs his fingers along my pussy lips, gently squeezing them now and again. He then finds my clit. I lick down his shaft reaching his balls, gently sucking one into my mouth, then the other. He is driving me mad now playing with my clit. I pull hard on his ball sac with my lips and then I'm back up his shaft, sucking his whole knob into my mouth."

"I am getting so close now, he knows exactly how to play me. He knows exactly what I love. For the first time, his thumb enters me and rubs just up inside while his finger keeps my clit at bursting point. I suck hard on his cock, and then let it fall from my mouth and pull my head up, my mouth is open, my fingers are digging into his legs, my body is shaking. He works harder and harder, he knows I'm almost there. I start to moan, I can feel it building. My nipples are rubbing on the edge of the sofa, my legs are far apart, his thumb is on my g-spot, his finger rubs my clit harder and harder. I groan one long last moan from deep inside my throat."

"Then it starts. He pushes two long fingers deep inside me. I hold my breath, then I'm gone. I can feel myself flooding, He won't stop, still pumping his fingers in and out of me. I am still feeling my way through this beautiful climax when the feelings suddenly build again. I'm going again, I'm going to cum again. He adds another finger and that does it. I drench my pussy all over his hand, and flop down on the floor out of reach of his hand, so on fire. I try to get up, wanting to please him, but he is already up. He lifts me onto the sofa and covers me with a small blanket. He strokes the hair out of my face, kisses my..."

"Stop, stop, stop!!!" I scream into the phone. "I can't take anymore. That didn't really happen? Why did you say all those things, now I have to go take care of myself." I heard the two ladies laughing hard and had to hang up the damn phone.

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

I NEVER KISSED A GIRL

I think the best part of being a professional dancer is getting to date cute guys and go to hot parties. I'm a bit of a hermit, but love to let my hair down and party like there's no tomorrow. Unfortunately there is a tomorrow, so I try to maintain myself and not get too out of hand. Last weekend I went to a downtown party thrown by one of my dance coaches, Jonah. I knew a few of them but most were new faces to me. I noticed this one girl I thought was pretty hot and went to Jonah to ask about her. He said he didn't know who she was but thought she came with a girlfriend of his girlfriend. I walked around a bit and worked my way over to her. She was about 5 foot seven, I'm guessing, with medium length blonde hair, nice boobs framed perfectly in her tank top, and some tight, tight yoga pants that really accented her butt.

I made eye contact with her and smiled. She smiled back and I took a couple steps closer and introduced myself. Holding out my hand I said, "Hi, I'm Jackie." She took it, shaking just my fingers, and said her name was Donna. I asked if she worked downtown. "Yes, at an ad agency," she replied. She told me she was here as a favor to her girlfriend who didn't want to come alone. She looked around the room and told me she knew most of the people here. She had come to parties like this for a few years and was tired of them. Then she looked at me and said, "Please don't take that personally." I smiled and made some more small talk. Little by little as peo-

ple walked by, they'd nod or smile at her, occasionally saying 'Hey Donna.' and such. I noticed that she seemed kinda bored or annoyed by it. I suggested we go out to the back porch and she agreed, but only if she found her friend and told her where we would be.

Minutes later, we were outside and continued talking and drinking. I told her what I did. Not impressed. So we just continued with our beers and just looked around the patio and stared into the back yard. After a few minutes of silence, she asked if I wanted to sit down at some chairs off in a corner. She looked over and said "Sure." I went over first and took a seat. She sat on the one next to me and put her drink on the plastic table. Then, looking directly at me, asked if she could kiss me. Shocked, I was. Not knowing what to say, I stammered that I'd never kissed a girl before. She asked if I had ever wondered what it was like? I looked down, saying nothing. "Now's your chance," she said, and put a finger under my chin and gently pushed my head up.

Donna leaned over and kissed me, first on the cheek, and then on my mouth. Her lips were soft and her breath smelled sweet with the aroma

of wine. Her right hand slipped over my breast and I felt her squeeze it. She took my hand and guided it under her skirt to her moist pussy. I curled my fingers not knowing what to do down there. She whispered in my ear not to be afraid, open my hand and feel her pussy lips as if they were mine. Slowly I did that and felt no hair. She was clean shaven, I thought to myself. That was something I had been think-

DONNA LEANED OVER, HER LIPS WERE SOFT AND HER BREATH SMELLED OF WINE.

ing of doing but since I wasn't dating, I hadn't.

Donna then slid her hand down to my crotch and rubbed over my jeans. I was surprised how nice it felt and found myself begin to rub her clit after finding it between her pussy lips. Her other hand was drawn up to my mouth, and I began to suck on her index finger. I pulled her hand closer to my mouth and then used my tongue to slide up and down the sides of her finger, licking it from top to bottom. To reciprocate, Donna began to pinch my nipple. I inhaled sharply, drawing a breath in a way that assured Donna that it felt good.

I leaned forward and began to softly kiss Donna. My lips tugged on Donna's bottom lip, touched our tongues together, swapped spit and swallowed it. I whispered to her "I want to taste your body." I couldn't believe I was doing this but I pulled Donna's legs over to straddle me so her pussy was just the right height for me to bury my face between her thighs and lick it. She pressed her legs together, keeping my head in place. Donna began to squirm as she came closer and closer to orgasm. Every time she shook, I increased my pace. I flicked her clit with my tongue and occasionally dart my tongue into her pussy, which by now was sopping wet. I wiggled my tongue around but focused mostly on stimulating her clit. She came hard on my face and I popped my head up and pinched her nipples as hard as I could and held them throughout her orgasm. When she stopped shaking, I released her nipples.

In the distance I heard Donna's name being called out. It was her friend. We quickly composed ourselves and went back towards the party. Donna left with her friend as if nothing had happened. Three days later I got a call from her, but I didn't answer. Girls can be such boys!

I SHUDDER AT THE THOUGHT OF A MASSIVE COCK SLIPPING INTO MY MOIST PUSSY. IT WAS JUST AS I IMAGINED.

DREAM LOVER

I gaze across the room at his lithe features as he nears me. The strong contours of his face, my eyes tracing the outline of his broad shoulders that seemed to span the room. A swell begins to form inside me as I trace the length of his arms with the tip of my tongue along the inside of my lips.

He pretends not to notice the penetrating stare that indicates my desire swelling for him. Casually

sauntering towards me, he reaches out and takes my small hand in his. The size of his hand dwarfs my tiny hand and I begin to realize that the tale of size predicted by a man's hand must surely be true. I shudder at the thought of a massive cock slipping into my moist pussy.

My mind fantasizes about his naked body, showering his skin with gentle nibbles as I taste every inch of his manly surface.

Feeling the moistness left behind

as I hungrily slip farther down his abdomen, my mind races at the very thrill of his hot cock slipping between my lips. My heart quickens as I draw nearer still to that hardening mass I want to feel pressing against me.

A slight tremble weakens my knees as I reach downwards to his now erect cock. A moan escapes my parted lips as I take his manhood fully in my hand and tug gently against it making it even harder. I feel his hips grind forward, trying to press inside my hot body.

The moment I feel the heat rising from his groin, I slide my tongue across the tip of his pulsing manhood. As I allow my mind to see the engorged structure thrusting deeper still into my waiting mouth, I am overcome with desire and fully swallow the first half of

it to a point of gagging. But I fight the urge and try harder to gulp down his swollen cock with very limited success.

I reach to my own soaked patch and begin to massage my clit as I suck gently on his hardened cock. I gasp somewhat at the thought of our impending combined orgasms. I feel his hot cock pumping violently inside me as he unloads himself deep into my mouth, my own body grinding in rhythm to the pulsations I feel deep in my throat.

His hand reaches around the back of my head and I hear his breath quicken as he nears that moment of eruption. He pushes my face deeper into his groin. Grasping my hair, he forces my head farther still into his body and he moans a deep, low wail. I intensify my own massaging of myself as I near that

moment of total surrender.

Without warning, a slightly salty taste fills my mouth, followed by a warm rush of sweetness. The thick cum now sliding deep along the walls of my throat. My face is now planted as deep as I can, his cock is fully in my throat and I laugh inside at the feeling that has overcome us both. "Thank you for that. I have so longed for you," I whisper as I casually back away. He follows me with warmth, compassion, and a Porsche.
